Water Docket  
Environmental Protection Agency  
Mailcode: 28221T  
1200 Pennsylvania Ave., NW  
Washington, DC 20460

Dear Sir or Madam:

In regards to Docket ID No. EPA-R03-OW-2010-0736, I oppose implementing the proposed Chesapeake bay TMDL limits because...

>NY already has the cleanest water in the watershed and effective pollution control programs.

>The proposed additional limitations will be an unfair burden on NY agriculture, municipal services, taxpayers, businesses and residents.

>The EPA model is **flawed**, not proven, and not suitable for being the basis for the proposed limitations.

>Most specifically, the EPA **should incorporate the model revisions recommended by the DEC** in their Watershed Implementation Plan.

Thank you.

Very truly yours,

Carol L. Ayers
